It is about me! Well, not me personally... I mean, **YOU**. You as an artist, you as a person. Pick up your brush, face an empty canvas and paint what is YOU. Maybe you will create a self-portrait, maybe you will express your inner self through splashes of colours or abstract shapes, or maybe you will paint what you love most... The paintbrush I mentioned is just symbolic. You can express yourself through any medium: drawing, photography, sculpture, mixed media. Show your creative side to the world!
